## ELECTRONIC FUNDS MANAGEMENT POLICY

### PURPOSE

The purpose of this policy is to set out how our school will manage electronic funds in accordance with applicable Department of Education and Training policy and law.

### SCOPE

This policy applies to:

- o all staff/responsible persons involved in management of funds transacted electronically
- o all transactions carried out by Kiewa Valley Primary School via the methods set out in this policy

### POLICY

Kiewa Valley Primary School has developed this policy consistently with the [Schools Electronic Funds Management Guidelines](#) and [Section 4 Internal Controls](#) of the Finance Manual for Victorian Government schools.

### Implementation

- Kiewa Valley Primary School, school council requires that all actions related to internet banking are consistent with The Department's [Schools Electronic Funds Management Guidelines](#).
- Kiewa Valley Primary School, school council approves the use of Westpac Live as the approved software for all internet banking activities as individual authority and security tokens are required.
- All payments through internet banking software must be consistent with Department requirements and must be authorised by the Principal and one other member of school council nominated by the school council.
- Any refunds due will be via direct deposit
- Kiewa Valley Primary School will undertake maintenance and upgrading of hardware and software as required.
- Kiewa Valley Primary School will ensure proper retention/disposal of all transaction records relating to accounts such as purchase orders, tax invoices/statements, vouchers, payroll listings and relevant CASES21 reports.

### EFTPOS

- The Principal of Kiewa Valley Primary School will ensure all staff operating the merchant facility are aware of security requirements. At our school, this includes authorised use of the EFT by authorised office staff.
- School council minutes must record which staff are authorised to process transactions.
- No "Cash Out" will be permitted on any school EFTPOS facility.
- Kiewa Valley Primary School will EFTPOS transactions via telephone or post.

### Direct Debit

- All direct debit agreements must be approved and signed by school council prior to implementation.
- The school council requires all suppliers to provide tax invoices to the school prior to direct debiting any funds from the school's account

- A direct debit facility allows an external source e.g VicSuper, School purchasing cards, Kidsoft, Australia Post etc to a pre-arranged amount of funds from the school's official account on a pre-arranged date. Any such payments will be authorised as appropriate and required.
- Kiewa Valley Primary School will ensure adequate funds are available in the Official Account for the "sweep" of funds to the supplier.

### Direct Deposit

- Kiewa Valley Primary School are using compass as a means for parents to pay funds.
- Kiewa Valley Primary School utilises a "two user authorisation of payments" banking package, as it contains a greater degree of security and access controls.
- Creditor details will be kept up to date and the treatment of GST for creditors will be monitored.
- Payment transactions will be uploaded as a batch through the CASES21 system.
- All payments made through the internet banking system must be authorised by two authorised officers.
- The various internal controls that need to be considered include:
  - the identification of staff with administrative/authorisation responsibilities [cannot be the Business Manager]
  - the identification of payment authorisers [the Principal and other designated officer]
  - the allocation and security of personal identification number (PIN) information or software authorisation tokens
  - the setting up of payee details in CASES21
  - the authorisation of transfer of funds from the official account to payee accounts
  - alternative procedures for processing, using the direct deposit facility, for periods of Business Manager's and Principal leave of absence.

**BPay** is an option available to families with details printed on Cases21 statements.
