OUR VISION

LUNCH CLUBS are WELL UNDERWAY

It was a beautiful day last Friday as the students who are participating in the GARDEN CLUB got to work on some of our new garden beds and weeding our vegetable patch. We have had amazing student support for our Lunch Club choices and there are a variety of students picking which Club they enjoy the most. Students are able to join more than 1 Lunch Club if they would like too. Linda had about 30 students join her last Friday.

SCHOOL CROSSING

The drop off and collection times are still our busy time during the school day. However it has been great to see the carpark operating as best it can, with parents and visitors being really cautious. I would like to remind all families that the only place students should be crossing Kiwa East Road is at the signed crossing. I know it may be a little further away from where parents are parking but student safety is paramount. I thank you for your support.

FETE CONFIRMATION of STALLS

I am pleased to announce the following class stalls for the FETE. All students got to suggest and vote on their class FETE this year, continuing our focus on Student Voice.

CLASS	STALL	PARENT VOLUNTEER CLASS REP
FCF	Lucky Sticks and Easter Raffle	Meg Elkington
12E	Lume Bands and Guess the Teacher	Marni Bartel
12L	Chocolate Pool	Ellen Nicholas
23B	Fairy Floss	Caitlind Kerr
34J	Bath Bombs and Soaps	TBC
45A	Photo Booth	Tracey McCrohan
56A	Slushies and Family Games	Lisa Knight
56L	Popcorn	Nicole Hamilton

Our Parent Class Reps will be sending out more information, but their role is to increase parent participation in events and help to streamline the support. **If you would prefer not to be contacted by the Parent Rep for your child's class please email me at kelli.jacobsen@education.vic.gov.au before Friday the 3rd March.**

Wonder Recycling Rewards

Once again, we have registered for the 'Wonder Recycling Rewards Program'. We ask that families save their empty soft plastic bread bags and send them into school to be placed in our collection boxes. The more bread bags we collect, the more sports equipment we can exchange them for.

Who: Student-led 'Bread Bag Team' and families at home

What: Bread bags, muffin bags, wrap bags, hot cross bun bags (if it's had bread in it, we can collect it) - please try to empty the crumbs as best you can

Where: Collection boxes will be located at the front office and outside the library

When: Start collecting now! Until the end of Term 2

Why: Our school will receive points to claim sports equipment for every 5kg of bread bags we collect... last year we collected 25kg of bread bags! It saves the environment and we also love all of the maths associated with the collection process.

How: You can send the bread bags in daily, weekly, or save a bundle and send them in when you are ready. Feel free to ask friends and families to collect for us too.

YEAR 1/2L NEWS

The students in 1/2L were asked to tell you what we have been doing in class. I think they have just about everything covered between them ☺. I am very proud of the language the students have used to tell you what we have been up to.

Lydia

In 1/2L we have been doing puppets of our families in integrated studies and we have been doing the cookie game for our fluency task. Reading workshop, writing workshop. Do you wonder why we do that? So we can get more smarter and to learn.

Lexie and Isla

Hi our names are Eva and Matilda. This is Kiewa Valley Primary School. We do lots of work. We do reading, writing, maths.

What we do for reading: noticing and wondering.

What we do for writing: we write for the newsletter.

What we do for maths: we do a cookie game so use a white board and a marker and we draw three circles for cookies and roll the dice for chocolate chips. We count the chocolate chips. The winner has the most chocolate chips.

Eva and Matilda

In 1/2L we have been learning a lot in the past 4 weeks. In maths we have been learning to graph and tally.

In reading we have been learning about
the reading workshop
biographies
autobiographies
point of view.

In writing we have been learning about recounts.

In integrated studies we have been making puppets to act out our lives.

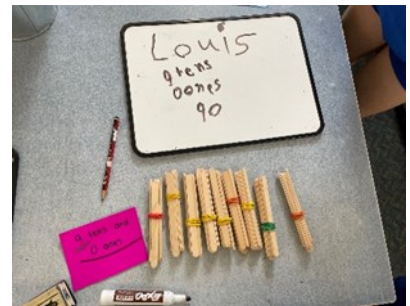

In sport we have been learning how to
run better
races
playing Duck, Duck, Godzilla.

In cooperative play we have been playing lots games while practicing our values.

Tex and Louis

In 1/2L we have been reading, doing art, music, writing, reading a book, writing, play time, running races, maths. I like reading the Pig book.

Liam and Hudson

In class we have been reading Bad Guys books.

Will Y.

Welcome to 1/2L Kiewa Valley Primary School. We have been doing counting with paddle pop sticks. We make 10 frames and count by all sorts of stuff.

Macey

These are the parts of the writers workshop... mini lesson, independent reading, catch/check in, authentic writing, reflection.

Archer

In 1/2L there are bugs everywhere. It is a disgrace with bugs because the boys keep getting more and more bugs every day and Mrs Litchfield has spiney's and lizards. The spiney's names are Mrs Spiney and Mr Spiney. The lizards names are bluey and gorgeous. The spiney's have a tree to climb on in their enclosure and the lizards have a rock to go in and a piece of wood to go in. We get to hold them sometimes.

Grace and Eva

In 1/2L we have been doing reading Bad Guys books and we have been doing maths. We have been counting by 10's,, 5's and 2's. So this is what we have been doing. Maths, reading, writing, integrated studies, music, art, Auslan, music, lunchtime and recess.

School Photos 2023 - Kiewa Valley Primary School

Annual school photos including sibling photos will be taken by Arthur Reed Photos on Wednesday 15th March 2023.

There is no need to return any forms or money to school.

Unique image codes will be issued to all students on/after photo day so families can register online to view images when they become available in the webshop.

Registration is simple, just follow the 3 simple steps on your child's personalised flyer once you receive it and remember to add the codes for all your children attending this school.

Even if you registered last year, it's important that you do again this year using your child's 2023 image code to link their images for the current year with your contact details.

When images are ready to view and in the webshop, all parents who have registered will be notified by SMS and email.

Once registered, please wait for notification that 2023 images are online to view before making your purchase.
